Student Association Politicians

Tracey Vandeveer, President

Each year the Student Association tries to better advise and organize student activities. This year our goal was to encourage school spirit and involvement. In order to create this atmosphere, we established a time in which clubs and organizations could meet regularly. The Wednesday morning activity periods have aided in increasing attendance and enthusiasm.

STASS has worked co-operatively with the various organizations in order to help them achieve their individual goals. Much of this involvement was a result of the two major events of the year, the Homecoming and Winter Weekends.

We, the officers of the 1979-80 Student Association, would like to thank all the students who participated in the various events this year, Mr. Valeri for his co-operation, and a special thanks to Mr. Dean Woodard for all his time and help. Through the past years, STASS has gradually succeeded in bringing back the real responsibilities of Student Government. We would like to wish the future STASS officers luck in fulfilling these responsibilities.

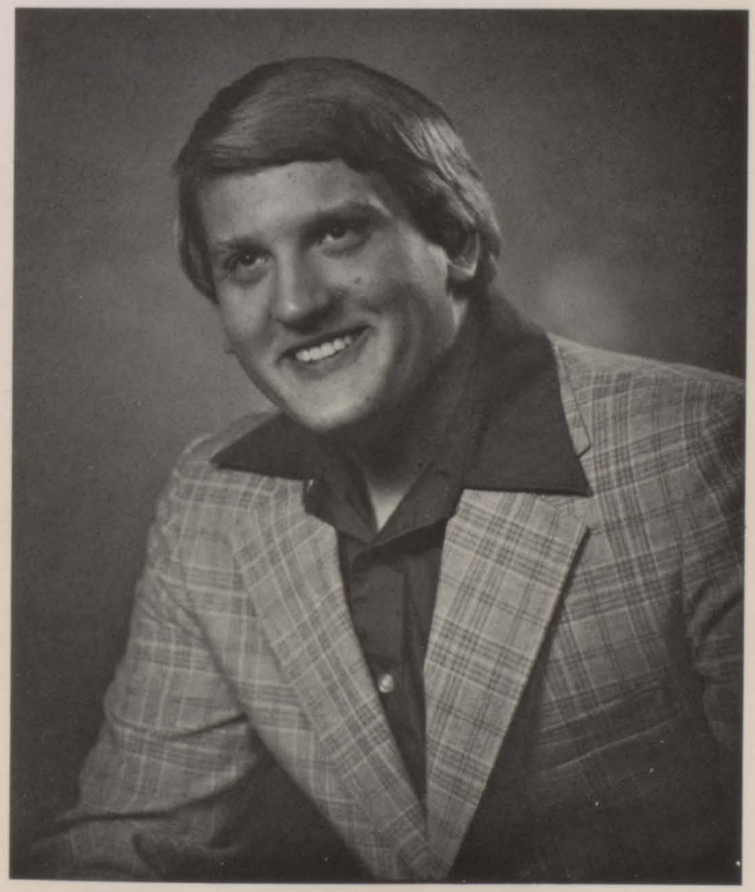
Dedication

Although JoAnn Ferlo was with us only a short time, she will always be remembered with great respect by those of us who knew her. In the few years she was with us, she accomplished so much and touched many people with her thoughtfulness and good nature. Her thoughtfulness toward others, along with her good humor, understanding, and cheerful smile, made her a true friend. When we lose someone at a young age, we feel that we have not had the chance to share enough of life's experiences with that person. JoAnn may be gone, but memories of her will live forever in us. We, the class of 1980, wish to dedicate this year's De-O-Wain-Sta to JoAnn Ferlo.

Valedictorian

Having attained an average of 98.28, Marijill Nicholson is the Valedictorian of the Class of 1980. Marijill is a member of the Key Club, Block R, Honor Society, President of Colgate Seminar, and Secretary of the Senior Class. She is an avid participant in sports such as field hockey, basketball, volleyball, and was an All-American softball player as a freshman. Out-of-school activities include working as a Candy Striper and enjoying recreational pastimes, such as skiing.

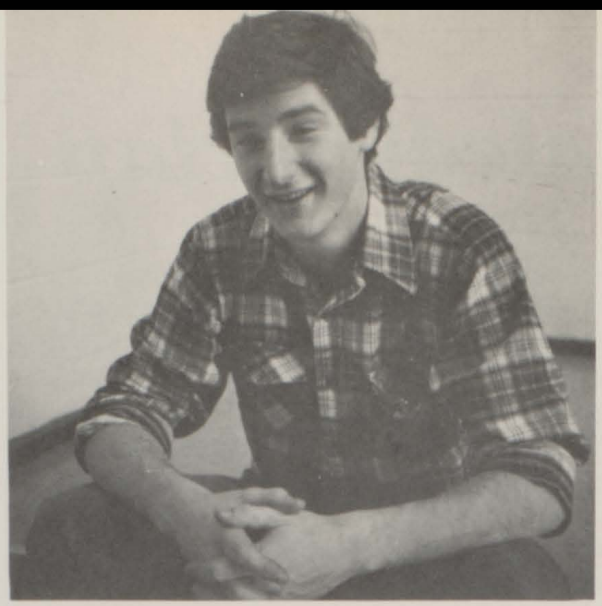
Marijill received the DAR Citizenship Award in ninth grade, the Outstanding School Citizen Award from the Optimist Club, a Letter of Commendation on the National Merit Qualifying Test, and the Renselaer Polytechnic Institute Medal for Achievement in Math and Science as a junior. She's been accepted at Albany School of Pharmacy and St. Bonaventure.



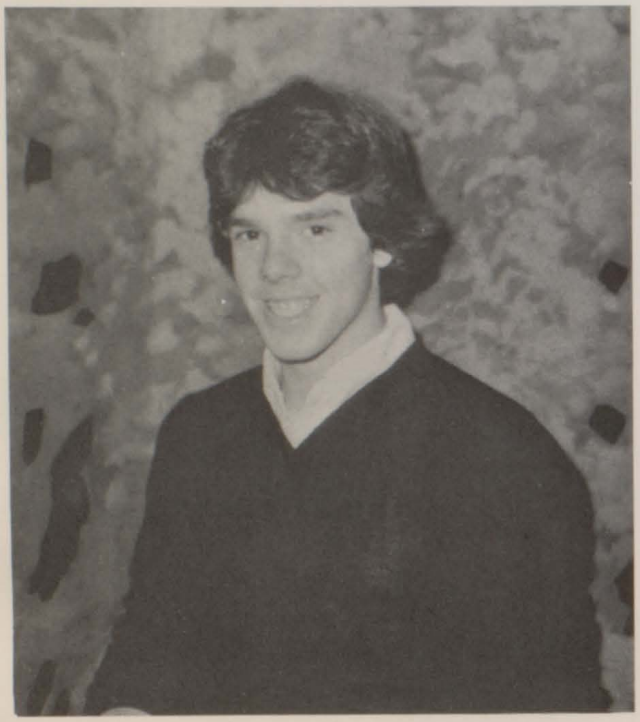
Salutatorian

Joseph Gwara Jr. is the Salutatorian of the Class of 1980 having achieved an average of 98.1. He is a member of Honor Society, Media Club, and Colgate Seminar. Joseph's musical activities include playing the viola in the Orchestra and participating in tbe school musicals, "Pajama Game" and "Guys and Dolls". Out of school, Joe has held several part-time jobs, such as working at Friendly Ice Cream. He has won a Regents Scholarship and Plans to study math at Georgetown University.

Senior Class Politicians



Andy Fenton, President



Jon Levick, Vice-president

To the Class of "1980"

As we move into a new decade and leave an old behind, we shall encounter a whole new life and challenges to accompany it. We, the Senior Class Officers, would like to thank everyone who supported and participated in class activities. Such events included carwashes, flower sales, and our Senior Play, "The Drunkard". A special thanks to our advisor, Mr. Kunkel.

We also hope everyone enjoyed the highlight of the year — the Senior Ball at Alfredo's. Good luck and best wishes to all in the future.

Tricia May, Secretary

Marijill Nicholson, Treasurer

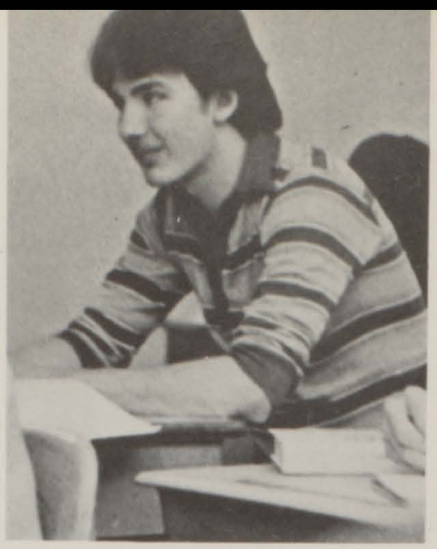
The thrill of victory.



36-24-36?

My Harem.

The Agony of Defeat.

The Invasion of the Body Snatchers.

We're for ERA!

OOH BABE.

Have you never been mellow?

A meeting of minds?

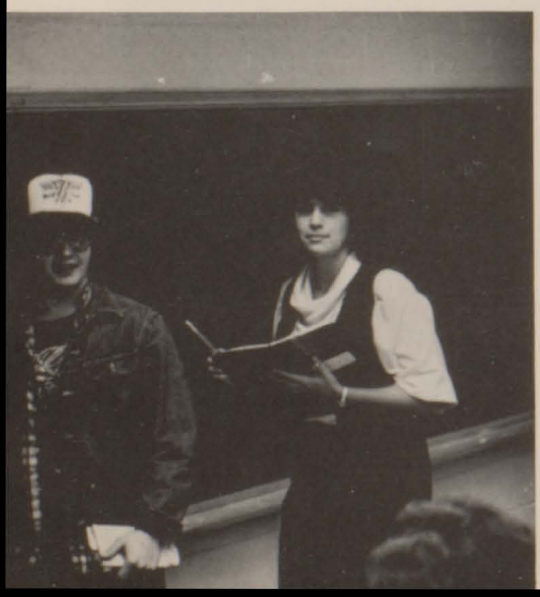
Which one is it now?

A grave situation.

Somebody said I look like Dustin Hoffman.

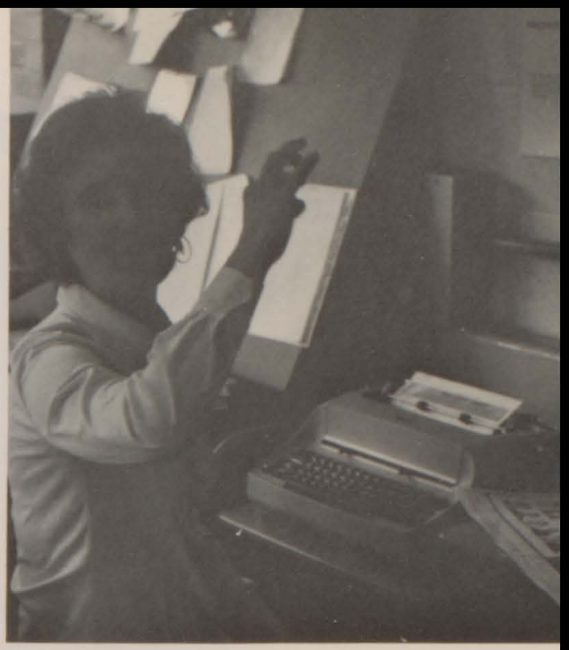
What have they done to my car!?

If only he knew his average.



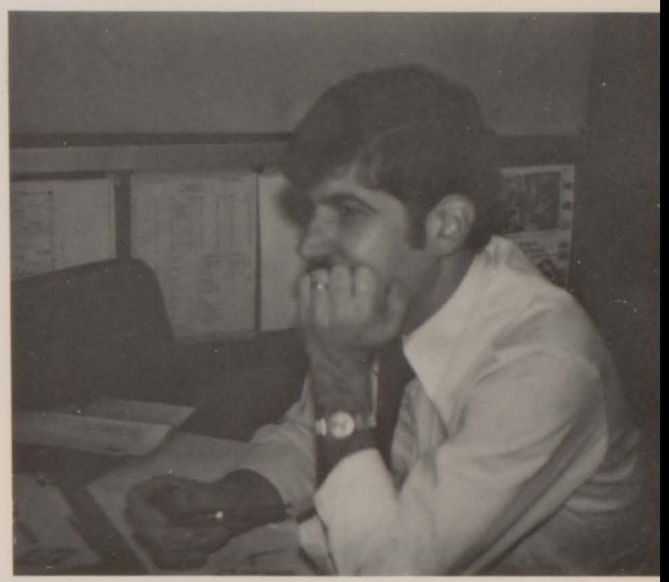
Only 179 days left until summer vacation!

FACULTY



Any requests?

$1,000,000 smiles



Tsk, Tsk, enough of that!

Who, Me?

Hmmm . . .
I could have been president.

"If I had a child who wanted to be a teacher, I would bid him God-speed as if he were going to a war. For indeed the war against prejudice, greed and ignorance is eternal, and those who dedicate themselves to it give their lives no less because they may live to see some fraction of the battle won."

James Hilton

Mr. Terenzetti became engaged to Miss Joan Rutz, a former Physics teacher at RFA.

Miss Dante will be married June 28, 1980 to Ray Smaldon

Mr. Corredine is attending Lamaze classes faithfully.

The Ski club advisor, Mr. Jacobowitz, will be advised by the members of the club on his skiing technique.

Mr. Bielec's son is a popular substitute teacher at RFA — could it be his good looks? Like father like son . . . including the brown "Corduroys".

Mr. Adey is still trying to grow a beard — Good Luck!

Mr. Humphey is supervising the students working in the YETP program. This program offers students a chance to earn money by making repairs at RFA and gives RFA quality upkeep for low cost. The students have done a terrific job!

Mr. Ball has been teaching at RFA for 36 years.

Mr. Mammone, our assistant principal, used to teach history and his daughter-in-law is presently an English teacher at RFA.

Mr. Mezzuferro was elected Common Council President and Mr. Campola is our new Alderman — 5th Ward.

Junior Class Politicians

Our second year at R.F.A. has been a successful and a rewarding one. For Homecoming Weekend our class produced an outstanding float and sponsored the semi-formal. Our next big project was the Talent Show, and then on to the Junior Prom held at Twin Pond's. My officers and I would like to personally thank every Junior who participated in the class activities this year. Special thanks go to our Advisor, Mr. John Gannon, for his co-operation and assistance throughout the year.

The Knight Times

The 1980 school year marked the second volume of the RFA Knight Times. During the newspaper's two-year existance, each monthly issue has served to inform RFA students of current and upcoming school events, sports highlights, and to give credit to noteworthy students. In addition, the Knight Times has included feature stories, editorial opinions, and a letters column where students may express their ideas.

The Knight Times staff would like to express its sincere thanks to its advisor, Margaret Hart. A former employee of the Daily Sentinel, Miss Hart has been invaluable in guiding the staff.

I spent the fall semester of my junior year in the small farming town of Spring Valley, Minnesota (population 2,600). I lived with the Manley Burmeister family, and of my five new brothers and sisters only Shelley, 15, still lived at home. Although the school was small (550 students, grades 7-12), I was involved in many new activities and found the people very warm and welcoming.

I have so many wonderful memories and will always have friends and a second family in Minnesota because of my A.F.S. experience.

Deborah Budelman

A.F.S. Exchange Students

Hi! My name is Paula Rodrigues. I am from the state of Sao Paulo in Brasil, and I'm living with the Merrick family for the year. I really enjoy this country, especially Rome. Many things are different for me, such as spending a whole day in school! In Brasil I only went to school half a day (7:30 a.m. to noon). In spite of the differences, I have many friends and am enjoying the variety of activities that R.F.A. offers. I am happy to be singing with the A Capella Choir. Also, it is super to be part of the Varsity Volleyball Team.

Living in the U.S. is a wonderful opportunity for me to learn about another culture, people, and customs. I know this experience will be important to me throughout my life. Rome and R.F.A. will always be part of my happiest memories.

My thanks to everyone who made it possible for me to come here, especially my Brasilian and American families and A.F.S.

Love,
Paula Rodrigues

Homecoming Weekend

Homecoming weekend was a great success. Thursday night a bon fire and a car smash were held to start things off with a bang. Friday night the RFA football Team obliterated Proctor 55-0. The float competition, with an Olympics theme, was won by the sophomore class. Tracey Vandeveer was crowned Fall Homecoming Queen. Joe Serino was her escort. Tracey's court and their escorts included Linda Hoehn and Bernie Froio, Carrie Milotte and Mike Bartlett, Tricia May and Roger Panara, and Teresa Colucci and Mickey Jones. Ms. Vandeveer and her court reigned at the Homecoming Dance, "All of My Love", on Saturday evening. Sunday afternoon the annual Powderpuff Football Game was held with the sophomore and junior girls against the senior girls. The game ended in a tie. As usual the guys did a fine job of cheerleading!

SENIOR PLAY — THE DRUNKARD

A Melodrama in Three Acts

Mel-o-drama — noun — A sentimental dramatic presentation characterized by heavy use of suspense and sensational episodes. The poor man did not start out to be a drunkard; mercy no! He was in fact, the penniless heir of his kind-hearted father, from whom he inherited his virtues. He would not be moved by that villian lawyer to kick the widow and her daughter out of their cottage. Indeed, on seeing the fair daughter he proposed and she accepted. The wedding of these two paupers does not produce any financial relief. Then! One day the villian lawyer lures the noble husband to drink in a saloon, and the effect is instantaneous; he becomes a drunkard, and the proverty increased. The villian lawyer tries to get the husband to forge a name, but he is still too virtuous for that. It's the husband's half-wit brother who plays detective, finds out what the lawyer is up to, discovers his brother in the slums of London and with the help of his Opheliae sister, finds the true will hidden by the villian. With the help of all men of goodwill, recognition and retribution is realized in the end.

RFA'S MUSICAL '79
BYE BYE BIRDIE

Bye Bye Birdie tells the story of a rock and roll singer who is about to be drafted into the army. Conrad Birdie is an Elvis Presley type, complete with a pompadour and thick sideburns. Albert Peterson, his agent, is a very pleasant mild mannered type. Rose Alvarez, his faithful secretary, keeps Albert and Birdie moving forward in the world. Rosie conducts one final national publicity plan before Conrad's induction. He will bid a typical American teen-age girl goodbye with an all-American kiss. Kim MacAfee in Sweet Apple, Ohio wins the honor.

All of the phones in her town are busy during THE TELEPHONE HOUR as she has just been pinned to Hugo, a local boy. She is a fetching girl of fifteen and sings with springlike adore HOW LOVELY TO BE A WOMAN.

The arrival of Birdie in Sweet Apple causes wholesale swoomings, by both the old and the young. Birdie says that his success due to the fact that he is HONESTLY SINCERE, and the quiet little town goes into a spin.

The MacAfee household is completely upset by the visiting star. It is decided that Birdie will give his ONE LAST KISS on the Ed Sullivan show. Kim's father who laments the whole uproar, tries to break into the act and behaves like a ham on the TV show.

Birdie becomes disgusted with his life and sprints out on the town with the teenagers. This is when the fun really begins!

The Colgate Seminar has existed at RFA since 1958. It is a "broad horizon" program operated by Colgate University in co-operation with various high schools in central New York. Fifty seniors are selected for seminar membership at RFA on the basis of ranking academic averages for five semesters. Each student attends twelve seminars on four selected topics taught by Colgate University professors. The seminars are designed to give the students a taste of college classes. Topics are selected by the seminar members from a list of topics available. Discussion continues through the dinner hour, with no charge to the students for the dinners. One seminar each year is usually held at the Colgate University campus.

RFA Science Club

Hopefully some of the scientists, engineers, doctors, and technicians of the future will emerge from the members of the RFA Science Club.

The Club's main objective is to promote the study and understanding of science and science-related fields. Participation in the local, regional and state science congresses is encouraged.

Bimonthly meetings include student projects and demonstrations, as well as special guests on related topics. Field trips to nearby universities and industrial facilities are planned to expand the knowledge of the members and to give them some personal exposure to science in progress.

Winter Weekend

Are there guys in the cake?

Does the punch seem strong?

This year's winter weekend was a memorable occasion. The RFA Orangemen gained a big victory over New Hartford (89-71) to start the weekend off right. Saturday night the senior class sponsored a Sadie Hawkins semi-formal dance featuring the sounds of "Valley Grass". The highlight of the evening was the crowning of the King and his Court. Voted King was Mike Bartlett, escorted by Angela Bartoloti. Mike's Court included Mickey Jones, Ronnie Bertrand, Doug Watson, and Roger Panara. All in all, the weekend was a success—in spite of the lack of snow.

Where's my court?

What ticket?

We made it!

Frank Parsons

Frank Parsons, a member of the class of 1979, passed away December 1979 in a car accident. He was captain and pitcher for the RFA Varsity Baseball team and had a batting average of .486 with 6 wins and 2 losses. Among his achievements he pitched a no hitter against Whitesboro, was first team Central Oneida League All-Star, a member of the COL Exceptional Senior team, and won the Charles Edkins award.

Frank gave SPIRIT to his team, COURAGE in competition and extraordinary EFFORT to baseball. Seemingly without temperament or ego, he went about his business, day in day out, hitting line drives, winning ball games, never complaining and always smiling. We would like to dedicate the 1980 Baseball season to Frank.

The XIII Winter Olympics were held in Lake Placid, New York, a small town a few hours away from Rome. Many students were lucky enough to have tickets to the various events in the Adirondacks. These people had an unforgettable experience and witnessed Eric Heiden collect medal after medal and saw the U.S. Hockey team battle for their first gold medal in 20 years.

Our mid-winter vacation coincided with the Olympics, giving students the time to see the games in person. Night after night everyone else sat in front of the television, elated as Eric Heiden won all five gold medals in speed skating. The other U.S. athletes captured our attention as the hockey team upset the U.S.S.R. and won the gold medal. Linda Fratianne won a silver in women's singles figure skating. Charlie Tickner won a bronze in men's single figure skating. Beth Heiden won a bronze in the women's 3,000 meter speed skating. Leah Paulos Mueller won a silver in the women's 500 meter and 1000 meter speed skating contest. Phil Mahre won a silver medal in the men's slalom. Tai Babilonia and Randy Gardner, our hopes for a gold medal in pairs figure skating, had to withdraw when Randy was injured during a warmup.

The achievements of these people made us feel good about the U.S. again during a time when we had problems of Americans being held as hostages in Iran, Afghanistan being tormented by a Soviet invasion, and a possible return of the draft for men and women. They made us realize that we still are a proud, ambitious people who can achieve anything we want.

ACADEMICS

RFA offers comprehensive high school and college programs. Curriculum is in a constant state of flux allowing teachers to meet students' present needs.

If you think you are beaten, you are.
If you think you dare not, you don't.
If you'd like to win, but think you can't,
It's almost a cinch you won't.

If you think you'll lose, you're lost.
For out in the world we find
Success begins with a fellow's will.
It's all in the state of mind.

If you think you're outclassed, you are.
You've got to think high to rise.
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But soon or late, the man who wins,
Is the man who thinks he can.

We wish to thank the advertisers who helped support the 1980 edition of the De-O-Wain-Sta. The yearbook business staff sold $2115 in advertising to defray publication costs and to keep the selling price of the yearbook to students as low as possible. In particular, we would like to thank Mr. Rahorcsak of Acme Studio, Mr. Christensen of Chris' Photique, Mr. Mario of Margo Studio, and Mr. Siringo of Siringo Studio. Their services in taking faculty, homeroom, and large group photographs was invaluable. These pictures were taken and printed gratuitously by the photographers. Once again thank you.

Facing Graduation

Faces of old and faces of new.
People we know and people we knew.
Growing together then drifting apart,
Always an ending and now a new start.
At graduation we'll all grow nearer
And all of our friends seem so much dearer.
And as we say our final goodbye,
One last embrace and one more cry,
A "keep in touch" and a "promise I will"
A "remember when", but better still.
A place in my heart, you'll always stay,
This is what's been said as we go our own way.

Linda Rollins
